June 25, 2016. Since last week's decision and the Senate Hearings two days ago, the Department of Veterans Affairs (VA) has been diligently working to begin to implement the Supreme Court's decision.

The VA's new guidance can be found at <http://www.va.gov/oal/business/pps/flash16-16.asp>.

As we will be monitoring the VA, if you suspect that the VA is not following the mandate and wish to report it to us, please send any reports to yetsfirst@kingdomware.net.
